[Apply Now](#)

Company: Blu Selection

Location: Athina

Category: computer-and-mathematical

What if you could fly to Greece to start a job with plenty of world citizens from different countries with one strong thing in common: the desire to experience, learn and grow altogether within an international booming company? Whether you are looking for personal development, learning & career opportunities, cultural discovery, or simply a lifetime experience, you will find it there

Tasks

Your responsibilities and impact as a customer experience specialist will be:

In this role, you will be the point of contact with customers in advising, selling, troubleshooting, and even setting up their new products

Identify, reply and solve customer's requests via phone, email, and chat

Providing professional customer service solutions over the phone, live chat, and emails

Troubleshooting any malfunctions in the digital services

Correcting data such as GPS location, driver data, scheduled maintenance, fuel consumption, etc.

Guaranteeing clients satisfaction and a high level of quality

Ensuring and participating in the success of the department

Requirements

Skills, qualifications, and interests you need to succeed in this role:

For this role, the company is looking for professional and friendly individuals with empathy and the ability to multitask.

You are a native German speaker with excellent English

You have an affinity or interest in the automotive industry

You have a strong customer focus and are always ready to help

You are highly reliable, adaptable, and a fast learner, and you have strong problem-solving skills

You are able to work in fast-paced environments and have a professional attitude

You are a real team player and enjoy working in multicultural environments

Benefits

What's in it for you?

A full-time job, 40 hours a week

Salary: approx. 1100-1300€ gross per month x 14 salaries per year + performance-related bonus

Schedule: available to work in rotative shifts from Monday to Sunday

A Quality Certified Management Company

A complete relocation package including:

Flight ticket to Athens

Hotel accommodation for 2 weeks with breakfast

Assistance in finding a flat + real estate agency fee paid by the Company

Flight ticket to your home and back every year

Other benefits: vouchers, discounts, free Greek classes, events, outings, and parties all year round

Your Future Company located in Athens, you will find a company that takes care of you with your career development, language skills, accommodation, and to your social integration. Your prospective new employer is a multinational organization that has been acknowledged as one of the best sales and customer service solutions provider companies in the world. Are you ready to be an added value to their international team including talents from more than 80 nationalities all over the world? Because they are looking for you!

Is this project not the best fit for you? Feel free to check our other opportunities for entry-level German speakers or send us your CV to be considered for other projects or future opportunities.

Blu Selection is an international recruitment company based in Barcelona, Paris, Berlin & Amsterdam dedicated to connecting international candidates and companies.
