

Customer Service Agent (Dutch Speaker)

[Apply Now](#)

Company: Blu Selection

Location: Greece

Category: office-and-administrative-support

As Customer Service Specialist you always put the customer first. You feel comfortable in the digital world and are looking to expand your knowledge in the banking industry. But you don't want to do this just anywhere? Then welcome to Greece!

Your responsibilities and impact as Customer Service Agent will be:

Providing support to bank customers via phone, chat, and email, addressing inquiries about products or services.

Handling customer complaints effectively.

Skills, qualifications and interests you need to succeed in this role:

Native fluency in Dutch.

Business-level proficiency in English.

A desire for an overseas job opportunity.

Motivation and dedication to your role.

Exceptional communication and listening skills.

A collaborative spirit to work alongside diverse nationalities.

What benefits are in it for you?

Long-term fixed-term contract with yearly renewal.

Full-time hours with rotating shifts.

Competitive salary options with or without accommodation.

Perks for international candidates, including flight reimbursement and assistance with relocation logistics.

Access to company-organized activities, language lessons, and social events.

Genuine career growth prospects across various paths.

Living in Greece:

Birthplace of Western civilization, rich in history, philosophy, and arts

Aegean weather providing year-round Vitamin D

Hospitality, warm greetings, and friendliness

Stunning nature with vibrant shades of greens and blues

Delicious Greek cuisine, lively tavern nights, and joyful Zorba dance!

Your Future Workplace:

Located in Greece, you will find a company that takes care of you from your career development, language skills, and accommodation to your social integration. Your prospective new employer is a multinational organisation that has been acknowledged as one of the best sales and customer service solutions provider companies in the world. Are you ready to be an added value to their international team including talents from more than 80 nationalities all over the world? Because they are looking for you!

Apply now and enjoy a personalised recruitment process where diversity is not a Buzzword because it's normality. Get specific tips and tricks for your Resume and Interview with the hiring company to increase your chances of landing the job.
