Hey there, Dutch speakers! We've got an exciting opportunity for you to flex your customer support muscles in the electrifying world of the automotive industry. As part of our remote customer support team, you'll be the voice of our brand, ensuring our customers get the help they need, when they need it. From troubleshooting technical issues to providing product information, you'll be there to ensure our customers are always in the fast lane to satisfaction.

We're a global player in the automotive sector, dedicated to delivering top-notch customer service experiences. We're all about innovation, quality, and most importantly, our customers. We're spread out all over the globe, but we're united by our passion for cars and commitment to providing excellent service.

Here's what we're looking for:

Fluent Dutch speaker with excellent communication skills in English

Experience in customer service (bonus points if it's in the automotive industry!)

Ability to work remotely with a reliable internet connection

Problem-solving skills that would make Sherlock Holmes proud

Flexibility to work on different schedules

And here's what you'll get:

A competitive salary with two extra salaries per year

Full relocation package to sunny Athens, including flights, transport, and hotel

Fully paid training to equip you with everything you need to succeed

The opportunity to work remotely from Greece

A supportive and encouraging work environment

So, how does it all work? Here's a quick rundown of our recruitment process:

The 'New' stage: Once you apply, your application will be reviewed by our recruitment team

The 'Screening' stage: If you're shortlisted, you'll be invited for an initial interview where we get to know each other better

We're stoked to read your application! So, what are you waiting for? Click that 'Apply' button and start your engine for a career journey like no other!
