Then, we at Patrique Mercier Recruitment have the perfect opportunity for you! We're now hiring for the position of Greek and English Speaking Automotive R&D & Production Manager, based in the heart of Athens!

Role Description:

As our Automotive R&D and Production Manager, you'll be in charge of overseeing and managing our automotive research and development, as well as our production processes. You'll be working closely with our dedicated team to ensure that our operations run smoothly and efficiently. You'll also be responsible for project management, process improvement, and quality assurance. We're looking for someone who is motivated, detail-oriented, and ready to hit the ground running in this exciting role!

About Us:

At Patrique Mercier Recruitment, we're all about bridging the gap between top talent and thriving industries. We operate in various sectors including aviation, finance, banking, automotive, social media, gaming, healthcare, retail & e-retail, travel, automotive, financial, insurance, and energy. Our mission is to provide comprehensive support and unleash the potential in every individual we work with. We're a small team, but we've got big ambitions!

Requirements:

Fluent in both Greek and English.

Experience in a related field.

5 to 10 years of experience in the automotive industry.

Strong leadership and management skills.

Excellent communication and problem-solving abilities.

Must have a valid European Union passport.

What We Offer:

A competitive salary ranging from 2500 - 3500 per month.

Plenty of opportunities for professional development and growth within our company.

Recruitment Process:

Once you've applied via our application form, we'll review your application.

If your profile fits our requirements, you'll be invited for an initial phone interview.

Next, you'll have a face-to-face or video interview with our hiring manager.

If all goes well, we'll be thrilled to welcome you to our team!

What are you waiting for? This is your chance to kickstart your career in the automotive industry with a company that truly values its employees. Apply today and let's drive the future together!
