

Low-Code Developer | Athens, Attica

[Apply Now](#)

Company: Entersoft

Location: Greece

Category: computer-and-mathematical

We are Entersoft Group of companies, leading business software and services provider in South East Europe and the Middle East offering a comprehensive and integrated business software suite with ERP, CRM, Retail, WMS, Mobile, e-Commerce and B.I. applications.

Our **mission** is to provide constantly innovative and effective full range integrated Enterprise Applications along with high quality services and support our customers to ensure optimized efficiency. With more than 20 years of experience, 4.000 customers and 500 employees, we continuously invest in advanced technologies and professional development of our people to ensure maximum efficiency and long-term collaborations.

We are expanding our Software Development team in Athens and we are looking for enthusiast professionals for the role **Low-Code Developer**

About the Role:

As a Low-Code developer, you will refer to the Product Manager in the Technical Department and assist in the design, development, test and maintenance of our business solutions. You will have the opportunity to be exposed to a wide variety of technologies and industries. Your main duties will be:

Design high quality solutions through well-documented and clear specs

Evaluate software solutions and functionality according to business requirements

Develop business processes and workflows using No-Code / Low-Code tools of Entersoft Business Suite

Help troubleshoot issues

Desired Skills & Experience:

BSc/MSc University degree in Computer Science or equivalent

Development skills in scripting languages

Experience with building SQL queries (MS SQL Server, MySQL)

Knowledge of Data Structures and Data Transformations

Experience of reporting tools (Crystal Reports, Dev Express Reports) will be a plus

Excellent communication skills

Attention to details

Analytical mind and problem solving aptitude

Knowledge on Software Domains like ERP (Inventory Control, Customers, Suppliers, Ordering, Invoicing, myData, etc), Logistics, HR will be a plus

Fluency with English is required (both spoken and written)

Completed military service for men

What we offer:

For the right talent that want to be part of our innovation-driven environment and high-performance culture, our offering includes:

Competitive remuneration package

Private health insurance plan

Free use of company bus

Training and development opportunities

A positive and supportive working environment

How to apply :

If you are interested in this career opportunity, then we are eager to get to know you! All

applicants will be treated in strict confidence.

To apply for this role please send your CV at jobs@entersoft.gr by **Low-Code Developer**
