

Software Developer | Athens, Attica

[Apply Now](#)

Company: Entersoft

Location: Greece

Category: computer-and-mathematical

We are **Entersoft Group of companies**, a leading business software and services provider in South East Europe and the Middle East offering a comprehensive and integrated business software suite with ERP, CRM, Retail, WMS, Mobile, e-Commerce and B.I. applications.

Our **mission** is to provide constantly innovative and effective full range integrated Enterprise Applications along with high quality services and support our customers to ensure optimized efficiency. With more than 20 years of experience, 4.000 customers and 500 employees, we continuously invest in advanced technologies and professional development of our people to ensure maximum efficiency and long-term collaborations.

We are expanding **Software Development Team in Athens** and we are looking for enthusiast professionals for the **Software Developer** role.

About the Role:

You will work with the team designing and developing our high-quality software solutions with well-documented, clear and reusable code, following object-oriented principles

You will be reviewing performance issues using suitable tools (debugger, memory profiler,) and apply solutions

Requirements:

A bachelor or master's degree in Computer Science or any other related field

Up to 5 years of experience in software development and maintenance

.NET development skills (C#) – Visual Studio 2019+

Knowledge of T-SQL (MS SQL Server, MySQL)

Knowledge of Design Patterns and Practices

Understanding of Agile Methodologies in Software Development

Proven Experience in Web Services (WEB Api, WCF)

Skilled in Multi-threaded .Net Programming

Be a team player with strong communication skills

Eager to learn and grow in a fast pacing environment

What we offer:

For the right talent that want to be part of our innovation-driven environment and high-performance culture, our offering includes:

Competitive remuneration package

Private health insurance plan

Free use of company bus

Training and development opportunities

Participation in innovative and complex projects for major organizations in Greece and abroad

A positive and supportive working environment

How to apply:

If you are interested in this career opportunity, then we are eager to get to know you! All applicants will be treated in strict confidence.

To apply for this role please send your CV at jobs@entersoft.gr by citing Software Developer.
