But now to you:

Do you live and love web programming? Are you passionate about working with WordPress? Do you enjoy learning new technologies? Do you like to contribute constructively to an open and dynamic team?

Then you should apply for a job with us!

We are looking for a web developer / webdesigner for the implementation of websites with WordPress. We don't care what you've done before. We rely on passion and commonsense. Training or a degree may have preceded this, but is not a must. You're always in the right place with us!

Responsibilities / main tasks

You design and develop websites using WordPress

You support our customers in securing their websites, plugin checks and take care of data protection

You take care of the daily support of our customers - focus is on slightly trickier tasks

You work independently on new topics and tasks and learn the necessary skills for this

Qualifications / requirements

You have a sound knowledge of WordPress

HTML5, CSS3/SCSS (possibly JavaScript & PHP) are not foreign to you

Creative customization of existing templates is child's play for you

You have a good eye for layout and design

You are motivated, show initiative and work in a structured manner

You may have an apprenticeship or a university degree in computer science, digital communication or a comparable qualification

Benefits of the employment

A 35-hour working week

30 days vacation (with a 5-day week) and your birthday off!

Extensive induction training

Exciting collaboration in a small, constantly growing team

Varied challenges and scope for your own ideas

Fast decision-making processes, direct communication and an honest feedback culture

Flexible working hours and some remote work

Regular employee events and joint leisure activities

Great colleagues and working in a family atmosphere

Coffee, water, fruit and sweets are free of charge

... as well as many other benefits that are individually tailored to you

Contact us

Are you interested in this new challenge and would like to contribute your ideas and experience to our agency? Then we should get to know each other. Send us your application and/or an application video to jobs@dreimaleins.com.

Your application will be sent to Susanne.

She looks after our personnel. As assistant to the management, she is our Feel Good Manager.

So feel good and free - and apply at jobs@dreimaleins.com.
